*If you'll remember
 always
There's no goal you can't
 achieve
If you try your very
 hardest
And above all else,
 believe,
Believe that you're a
 person
Who has something good to
 give —
Believe that you can make this
 world
A better place to
 live —
If you'll believe you're
 needed
And that others like you
 too
Then you're sure to find there's
 nothing
In the world you cannot
 do!*

What Is The Plan?

This plan is designed to provide insurance protection at very low cost during your school years and the years after when you are becoming established in your vocation. The five year term policy provides life insurance protection for periods of five years and is automatically renewed every five years to age 70 regardless of your health. You may elect to convert to a cash value plan at any time up to age 65 without evidence of insurability. Cash value insurance would include such plans as STRAIGHT LIFE, 20 PAYMENT LIFE, LIFE PAID UP AT AGE 65, etc. This plan provides you with low-cost life insurance protection now and the flexibility of being able to convert to a permanent form of life insurance at a later date. Best of all, you will be starting a life insurance program with **Savings Bank Life Insurance**, known for its low cost and excellence.

The Torch Staff would like to extend its sincerest thanks to the Torch Ad Staff people who helped make the 1982 yearbook possible:

Debbie Heath, Anne Roan, Linda Marino, Tracy Repeta, Doris Webb, Laurie Voegtlin, Shelby Fleming, Kim Sprague, Denise Dube, Kim Piers, Dawn Whiting, Effie Pratt

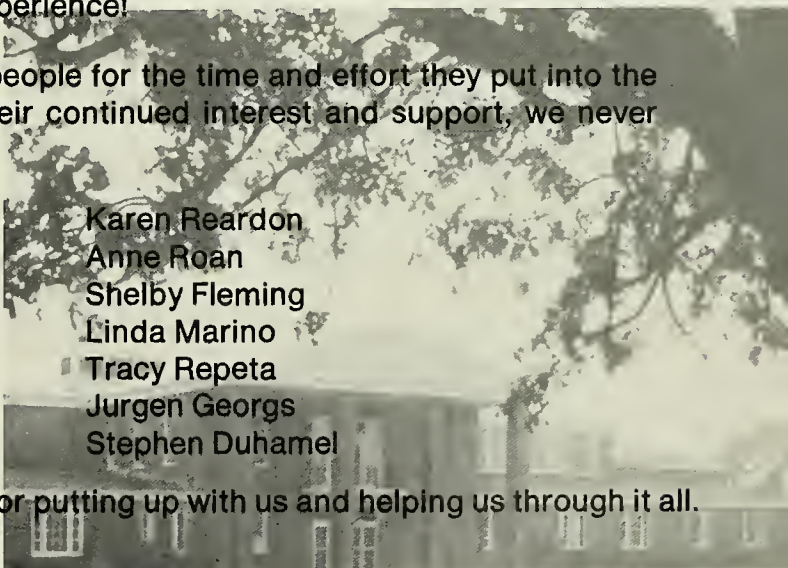

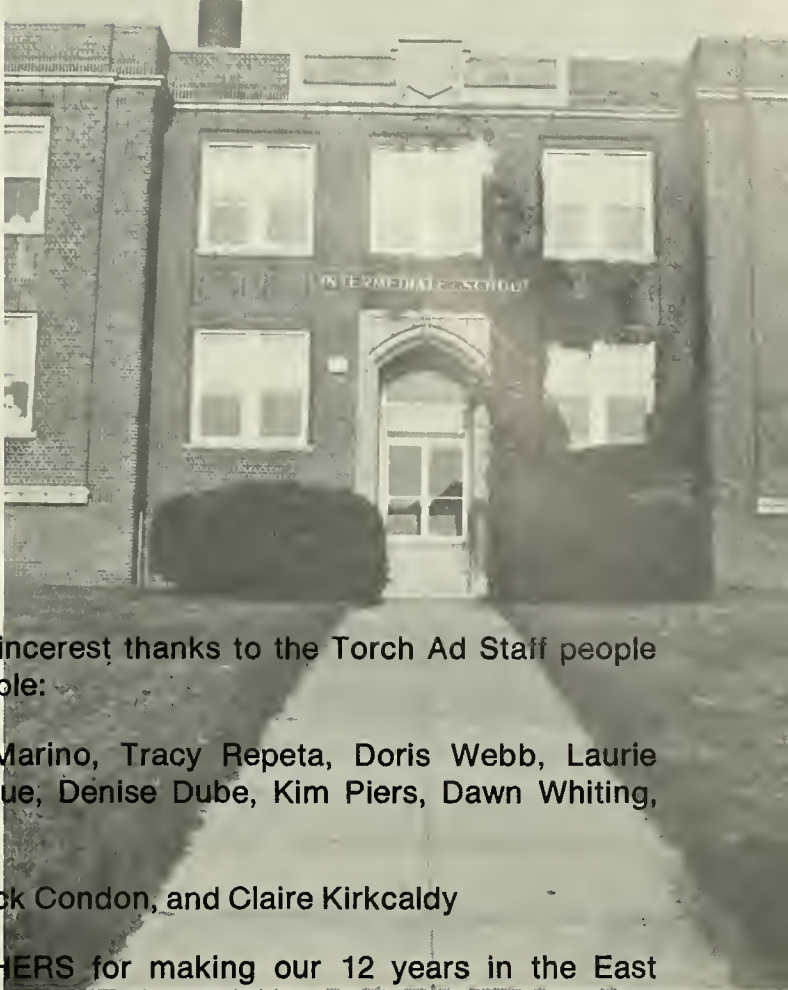

With a special thank-you to Gayle Kelm, Jack Condon, and Claire Kirkcaldy

And heartfelt gratitude to all the TEACHERS for making our 12 years in the East Bridgewater School system a rewarding experience!

We would also like to thank the following people for the time and effort they put into the Production of the 1982 Torch. Without their continued interest and support, we never would have been able to have a yearbook.

And most of all, thanks to you, Mr. Paone, for putting up with us and helping us through it all.

None of us is born the same, we don't
know why; it's the way we came,
Ev'ry heart beats a little diff'rently,
each soul is free to find it's way,
Like a river that winds its way to the sea.
For life is a journey, and there are many
roads beneath the sky, and there
are many good people who don't see
eye to eye.

Not ev'ry man can sing your tune,
From where he stands, there's another
view, with ev'ry turn we're learning
more, and perhaps we'll find that
the walls we build are only, are
only in the mind.

There are many roads to go, and they
go by many names,
They don't all go the same way, but
they get there all the same -
And I have a feelin' that we'll meet
some day, where the roads
come together, up the way.
